

VacuCobra VC100 cardboard bundles

Before

VacuCobra VC100 lifting cardboard bundles

- A project from our Greek distributor, Nikos Pararas - Packaging Systems.

Lifting empty carton boxes (approx 7.000 pieces during one 8 hour period, in bundles of 10 cartons).

Lifting weight is 10 kg.

The VacuCobra is installed in a Lyftman crane system with LR86 profile (4500X2500 mm).

This system is the fifth (5) vacuum lifting system sold to COLGATE PALMOLIVE GREECE SA. Also installed: VM180, VM300, 2xVM100, VC100.
